

BRIDGES
Independent Activity Form

This form is to be used to report time spent on independent community service activities for which the student wishes to receive Bridges credit. Independent activities must directly serve others, be humanitarian and charitable in nature. Activities performed on campus or at other District Schools can qualify, as can those accomplished through Boy Scouts, Girl Scouts, National Charity League, or place of worship. The Bridges Program Director has final approval on qualifying activities and should be contacted in advance if there is any question as to the eligibility of an activity.

For optimum enjoyment and safety, we strongly recommend that student volunteers are accompanied by a supervising parent or guardian when participating in these activities.
