

# JMIS ANNUAL FUND

## BUILDING ON SUCCESS 2010

February 1, 2010

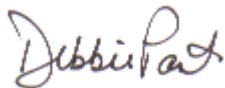

Dear JM Parents,

*Building on Success* is a yearly fundraising initiative that directly supports JM **students** and **faculty**, as well as the high quality **educational programs** and **projects** that JM provides. In the midst of the current state budget crisis, *Building on Success 2010* is an opportunity to invest in the education of our children today and to protect that which matters most...their future!

The JM PTA must raise \$60,000 this year. Our goal is to accomplish this by having **100% family participation**. The *Suggested Giving Level* has been set at \$250 per student; however, every gift makes a difference! Every donation to this campaign will help preserve the programs that JM currently offers AND will allow the School to invest in projects that will improve and enhance the educational experience of our children.

Visit our website at [www.jmispta.org](http://www.jmispta.org) where you will find a complete listing of the programs that *Building on Success* supports. With your help, JM can continue to challenge its students to become confident, independent, and responsible leaders in our community by providing the resources needed to reach **their** individual goals.

Thank you for your support! This campaign will end on March 31, 2010.
